Survival of the Fittest 2 ESPN Remix by Mobb Deep 2015. Mobb Deep is one of New York Hip Hops most hallowed Hip Hop institutions. They were a hardscrabble two-some out of the tradition of Eric B and Rakim and Gang Starr with Prodigy as the main spitter and Havoc pulling double duty as both chairman of the boards and a serviceable emcee. They were also relentless with their classic LP The Infamous taking shots at everyone that happened to step out into their paths. For most it was something they had to do, as their first record Juvenile Hell fell on mostly deaf ears. Come Saturday April 25, The Infamous will be turning 20, and the album has aged well. Its production is still as menacing
